

GLASS VARNISH

001 Colorless

040 Light yellow

Resin-based paint alkyd, solvents and colorants. Ideal for use on non-porous surfaces, with great power of adherence. The colors are transparent and shiny, mixable with each other and self-leveling. It is applied as a drip on all types of clean surfaces and degreased: metal, wood, glass, etc. Dries in 24 hours.

Presentation bottle x 40 ml.
